THE ARIZONA CHAPTER MEDICAL PROGRAM

The Arizona Chapter of the Association of Legal Administrators is excited to share with you our new ALA Arizona Chapter Medical Program!

With the constant increase in healthcare costs, keeping rates down while providing quality benefits takes careful attention and work. It takes plan designs that encourage proper utilization and are structured to not withhold medical care. It takes great discounts and wide access to medical care to help control costs. These tasks can be especially daunting, and in some instances out of reach, for the small and mid-size firms who simply don't have large firm numbers. That is why, in conjunction with GLJ Benefit Consultants, the AZ Chapter has worked to provide its members with an insurance solution: The ALA Arizona Chapter Medical Program – an insurance pool created specifically for AZ ALA member firms.

Please join us for one of three quick, informative sessions to learn more about the program:

- **Wednesday, October 24th @ 12-1 pm - Hilton Phoenix/Mesa, 1011 W. Holmes Avenue, Ocotillo Room, Mesa, AZ 85210**
